I'm sadly watching my pal get not any better. Why can't we help our pets out more with something that also help humans with out so much side effects.. This is very stressful, people just done understand this awful disease & how it effects our poor pets. Vet meds are so expensive, they make pet worse, all the blood test, & what do you get out of this out come. Nothing . You may have 1-2 yrs

Or does the freezing of one part of the surplus value in monetary form in the hands of certain capitalists mean that other capitalists will be left with a corresponding part of that surplus product in its material form? does the hoarding of realised surplus value by some

imply that others are no longer able to realise their surplus value, since the capitalists are the only buyers of surplus value? This would mean, however, that the smooth course of reproduction and similarly of accumulation as described in the diagram would be interrupted
