lopressor 25mg

metoprolol er 25 mg generic

is there a generic for metoprolol er

Recognizing the signs and symptoms of a narcotic overdose can mean all the difference between life and death. In the past, toxicity and overdoses have been attributed to dependence or abuse, but, often, narcotic overdoses occur through no fault of the individual and when least expected. Statistics show that there is an overwhelming need to be able to recognize a narcotic overdose whenever you know of someone who has access to these types of drugs.
