headlined a number of festivals, safely establishing themselves as one of the most respected and know tribute shows around. Cherry picking the very best songs from each of the two bands, bonafide rock classics such as (the massive) "Don't Stop Believing", "Separate Ways", "Cold As Ice", "Juke Box Hero" "Waiting For A Girl Like You" and "I Want To Know What Love Is." A Foreigners Journey take things much beyond a mere "tribute act" and turn their show into a living, breathing and powerful show. Guaranteed to be an evening to remember and real treat for all those who love quality, commercial rock.
