As Greg's first novel in that trilogy came out in 2010, he had a lot of questions before we

had answers: what did the Prometheans look like? What did the living, breathing

Forerunner civilization feel like? So between 2008 and 2010 our artists, designers, and

writers met repeatedly with Bear to give him character sketches, talk about physics,

shapes and characters that would ultimately take their first tentative steps in his book

before coming to life on Requiem.
