But, like the juvenile court, we find on this record that, beyond a reasonable doubt, mother's long-time emotional and mental condition, as described by Stoltzfus in 2010 and as manifested through

mother's recurrent lack of effort over a period of at least several years to commit to an adjustment of her life circumstances through participation in services, and her continued inability to engage in healthy relationships or disassociate herself from father and the other unsafe men in her life, make her unable to safely parent KM, and lead us to conclude that it is improbable that she will be able to do so within a reasonable time.FN5
