“Whether an employee is using cannabis during the workweek or on their time off, the  
issue for me is the same,” she told Healthline. “Are they getting the job done? Is their  
performance where it needs to be? If it isn’t, is there any indication that their lack of  
performance is related to cannabis? If the cannabis is causing performance problems, the  
employer certainly has the right and the need to address that
